DURABOWL BUMPERS

THE BUMPER THAT STANDS UP TO KIDS.

Customers appreciate QubicaAMF DuraBowl bumpers for the reliable way they perform and the excitement they add to Xtreme bowling. You'll like DuraBowl bumpers for their durability, their reliable operation, their upgradeability, and their manual and automatic option.

DuraBowl bumpers are exactly what you and your customers have come to expect from QubicaAMF: top quality combined with unsurpassed reliability.

With their amazingly strong resin rails and rugged construction, DuraBowl bumpers can more than take the punishment kids dish out. That's why DuraBowl is the first name in bumpers – and the surest way for your center to make the most of your bumper-bowling market.

With DuraBowl, you can count on year after year of high-profit revenues from birthday parties, families, day-care specials, and other events.

- High-tech resin rails stronger than the original DuraBowl bumper
- Automatic and manual models available
- Upgrade existing DuraBowl rails to clear rails for Xtreme lighting option
- Optional Xtreme lighting operates with bumpers up or down
- Replacement rails fit all existing DuraBowl systems
- Easy, fast installation
- Won't interfere with lane maintenance equipment
