5 STARS ENTERTAINMENT

Highway66 is a tremendously fun game of miniature bowling. The quality of the string pinsetter machine and the solid phenolic synthetic lane surface deliver years of trouble-free operation and also features next to no maintenance. The lanes require no special conditioning or oils, and players don't even need special bowling shoes. With basic general maintenance and cleaning, Highway66 will prove to be a pleasure to operate and profit from.

Highway66 payment options:
Coin Control
Bill Acceptors
Debit Card interface
Ticket Dispenser
Central Front Desk

An advanced feature of the Highway66 hardware is its ability to host multiple software games, each comprising a distinct style and purpose to suit any intended site. From traditional tenpin based games to alternative bowling games giving the ability to continually offer a new experience to your guest.

Thanks to the ease of coin operation and the allure of bowling, you can sit back and watch the profits roll in. Each easy-to-install, 39'x 9' unit accommodates up to 10 players. That's a lot of income in a small space. Put Highway66 in your business and be prepared to be thunderstruck with the money you'll make.

Minimum Maintenance

OPTIONS

LCD Monitor

The modern design of Highway66 LCD monitor is sure to guarantee an attractive impact.

Wall Kit

An exciting sub-environment can be achieved within your venue using these designer series wall kit as a backdrop.

Side Protection

Lateral safety guard kits offer unobtrusive protection to the spectators

Machine Enclosure

Beautifully designed machine room enclosures are available to conceal this non-pubic area.

Bumpers

A very successful feature in traditional tenpin bowling is available with Highway66. This option is recommended for locations anticipating a majority of youngster playing activity.

Coordinate Furniture

Depending on the style of your venue, a large selection of furniture is available.

Signage Kit

High impact Highway66 signage kit adding visual attraction to your venue.

MULTIPLE GAMES

A key to the popularity of HWY 66 is its player involvement and interaction, along with the thrill and action of the scoring videogames. This is why the popularity of HWY 66 spans generations and everyone from kids to adults of all ages love it - anyone can play and have fun.

HWY 66 features engineered electronic hardware that hosts a range of entertaining software games. The system is loaded via simple-to-use DVDs, giving players the freedom to decide which game should be played. The built-in setup menu allows you to configure the parameters of the system according to the tone of your location.

You can configure the software to control the ticket payout depending on the player skill, the maximum number of players, the time per game or the maximum number of balls.

TENPIN TOUR

A game based on the traditional tenpin rules with a thrilling twist of alternative excitement. Tenpin Tour will take your guest motoring along the highway as they progress through their game of tenpin. Tricky stops and bonuses are built into the road map adding a secondary level of fun, competitive action.

TURKEY SHOOT

A thrilling walk-up and play game suited to high traffic venues. A very fast game, whereby players can insert the payment and throw 3 or 5 balls at full sets of pins. From the setup utility management can establish to issue redemption tickets for 3 or 5 successful shots and enable them to continue for a change at the mega prize.

TARGETEN

Targeten, an outstanding mix of thrill and combat wrapped in a seemingly traditional tenpin experience. The players will marvel as they move through the 10 different environments battling against each of the challenging enemy characters they confront.

BLOX

Blox, a game styled with attractive playing elements for all ages, features a logical relationship between what you've bowled, while trying to arrange a series of three of your character blocks to earn win points.
